ABOUT THE PUBLIC HEALTH COMMISSION

The Public Health Commission was established by the Los Angeles County Board of Supervisors in July 1964.

The Commission consists of five members, representing the fields of: Medicine, Education, Business, a Woman's Group, and Municipal Government.

Each member is appointed by the Board of Supervisors for terms of two years, with reappointment at the discretion of the Board.

COMMISSION'S MISSION & ROLE

The mission of the Public Health Commission is to review, study, advise and make recommendations to the Los Angeles County Board of Supervisors, the Director of Public Health and Health Officer, the Chief Deputy of Public Health and Department of Public Health Programs on all matters related to public health.

The Public Health Commission members are active in their respective roles in their communities, lending a voice to the Department's work that supports the Department's mission to protect health, prevent disease and promote the health and well-being of all persons in Los Angeles County.
